# Evening Sailing

## Friday and Saturday Evening Cruises

Spinnaker Sailing offers a 2 hour evening sail from the Redwood City Marina on both Fridays and Saturday evenings.

Without the structure of class or the responsibilities of chartering, our evening cruises are a great way to get out on the water affordably!

Spinnaker Sailing provides an instructor/skipper aboard each boat to ensure the safe operation while enabling those aboard to participate in the sailing experience.

We sail on our fleet of 22 to 27 foot sloops with up to 5 sailors per boat, including the skipper.

Come on out! Get some fresh air, have some fun and start the weekend right.

Departure times from the Redwood City marina are listed. Check in is 15-30 minutes prior to scheduled departure.

## Wednesday Night Racing - [Members Only](#)

Spinnaker Sailing joins in on the Sequoia Yacht Clubs Wednesday Night Beer Can racing.

This is an informal race series that runs from April through September.

The racing utilizes a handicap rating system for the boats so starting times vary depending on the boat. For example, the Santana 22's start at 6:00 pm while the Merit 25's start at a slightly later time depending on the course.

This is a fun way to get more time on the water, refine your sailing skills and enjoy the excitement of racing against other boats. This activity is limited to Club Members and their friends and or family members.

Sailing Club Members wanting to participate in the Wednesday races need to be at the school 45 minutes prior to the scheduled start time to help set up the boat and be at the starting line on time.

The race usually ends by 8:00 pm. You can join in on the races individually or put together your own crew for a night or series.

# Weekend Cruises

## 2 Day Weekend Cruises

This year Spinnaker Sailing has put together a schedule of weekend sailing adventures to San Francisco and various North Bay locations.

These weekend sails have been scheduled around the tides and currents to assist in speedier transits between Redwood City and the upper San Francisco Bay.

We'll leave Redwood City Saturday morning and sail to a designated location in the North Bay (ie. San Francisco, Sausalito, Berkeley, Alameda etc.).

Along the way we'll enjoy sights like, the San Francisco waterfront, Alcatraz, Pier 39, Golden Gate Bridge, and many other popular attractions.

Onboard the boat you'll be acting as crew helping sail and operate the boat. This includes steering, navigation, trimming sail, use of ship systems and more.

We'll plan on having lunches and a light breakfast onboard but dinner ashore Saturday night.

The weekend trips are a great way to get away for a unique and fun weekend and see the Bay Area from a different perspective.

**COST PER PERSON \$250.00**
